

## About the 2010-2011 Therapist Referral Book

The MHREN board is proud and delighted to offer this, the fifth edition of the Therapist Referral Book. Your support through memberships and attending workshops makes it financially possible for us to continually produce this well-used resource. Please use the membership form on the following page to renew or begin your membership.

We are again grateful for the excellent professional services of Barb Barasa who organized and entered data and David Ruppe who designed the cover. Our intention is to make it easy for anyone to access information about therapists and their specialties. The spirit in which the referral book is created is one of camaraderie and community building, and rests on a belief that we all benefit from improved mental health services in the valley. Please inform us of any suggestions you might have for improving this publication by emailing us at [info@mhren.org](mailto:info@mhren.org).

We are not going to be publishing a book in 2011. Please be aware that only those who fill out a submission form each time will be included in future publications. If you are not listed in this book but would like to be listed in future editions, we will be including submission forms for the 2012-2013 edition in the summer, 2011 newsletter. If you are not on our mailing list and would like to be, send an email with your contact information to [info@mhren.org](mailto:info@mhren.org). The entire book is available to download at our website: [www.mhren.org](http://www.mhren.org).

Information about other mental health resources is available at:

## About Mental Health Resource and Education Network

MHREN is a non-profit organization, founded in 1991 by a group of local therapists to provide high quality professional training and educational opportunities in the Rogue Valley, to provide information about other trainings and activities available here and in the surrounding area, and to encourage sharing of ideas and networking among mental health professionals. It is operated by a volunteer board and sustained by annual membership fees and workshops. We offer continuing education trainings and publish a newsletter thrice yearly in March, August, and December.

The members of the board of MHREN are Blandine Leavitt, Fern Snogren, Gary Woodring, Maria Connolly and Mary Martin. We wish to thank all of our current members for their interest and participation. It is what keeps MHREN alive. If you receive our newsletters, have appreciated our workshop offerings, or are interested in a future listing in this directory, please consider joining us and supporting your profession. If you have any questions or feedback, you may reach us at [info@mhren.org](mailto:info@mhren.org).
